CELINE MORA

Applied Research Lead · Product Strategy

celine.mora@email.com · New York, NY · linkedin.com/in/celinemora

PROFILE

Research lead bridging quantitative rigor and product judgment. Twelve years across labs, startups, and platform teams — designing experiments, shipping decision systems, and writing clearly for executives who need signal, not slides.

CAPABILITIES

Core — Causal inference · Experimentation · Bayesian modeling · Decision science

Tools — Python · SQL · R · Stan · dbt · Tableau · Looker

Lead — Research ops · Narrative design · Cross-functional leadership · Mentorship

EXPERIENCE

Applied Research Lead — 2021 – Present

Meridian Labs · New York, NY

- Directed a 7-person research pod; roadmap influenced 3 major product bets ($18M ARR).
- Rebuilt experimentation governance; reduced underpowered tests by 40% in two quarters.
- Established a research writing standard adopted by product, design, and data science.

Senior Product Analyst — 2017 – 2021

Northline · Remote

- Owned growth analytics for a 4M-user surface; +9% activation via sequenced onboarding.
- Partnered with design systems to quantify component impact (latency vs. conversion).
- Mentored analysts; two promoted to senior within 18 months.

Research Associate — 2014 – 2017

Institute for Decision Science

- Published peer-reviewed work on multi-armed bandits for adaptive surveys.
- Built reproducible analysis pipelines later open-sourced by the lab.

EDUCATION

Ph.D. Cognitive Systems — Columbia University (2014)

B.A. Mathematics & Philosophy — Brown University · Honors (2009)
